

JULIAN SUTCLIFFE

For LGBT+ Officer

What will I do?

- Continue Lukas' work with the LGBT+ parenting scheme with Queens' and Pembroke - a great way to make friends and work with other colleges.
- Hold discussion groups in college on LGBT+ themes.
- Hold LGBT+ themed film evenings - perhaps in conjunction with film society.
- Work with other colleges to help freshers (and other years!) meet LGBT+ people from across the university.
- Host socials and formals, both alcoholic and non, in order to help people settle into college and find their feet.

Why me?

- I am experienced in multiple committee roles across the university already.
- I am active in the LGBT+ community across Cambridge and know multiple people I feel comfortable organising events with.
- I am committed to the job, already being involved in the parenting scheme.
- I still haven't properly been to Kaleidoscope and really want to be able to try it at least once.
- I want to be able to help people who identify as LGBT+ to have a safe and enjoyable time here, and I appreciate how important that is.
- I am sometimes fun and would hopefully help people have fun.
