

SHIJIAN YANG FOR BAR AND BUTTERY OFFICER!

Hello my lovely fellow Petreans, I am Shijian Yang, and I hope to serve you as your Bar and Buttery rep!

What I wish to achieve:

1. **Improve hall according to your tastes:** Bring back food of the week (weekly food surveys), and explore other ways to get your opinions on the food at hall. I've got my own ideas e.g. eliminate Asian food from formals, more sides and sauces, stop serving goujons on Friday lunches instead of a proper slab of fish etc, but fundamentally it is your opinions that matter.
2. **Food prices and KFC:** Peterhouse KFC is one of the highest vis-à-vis other colleges. I will work to give students a transparent breakdown of how the KFC is calculated, and try to negotiate it down. I will try to make it easy to opt out of KFC. Food prices are also relatively high compared to other colleges, negotiate/ work out ways to reduce costs. (e.g. meal sets like some colleges)
3. **Advocate for the right of people cooking, sort out frying pans:** Fundamentally change the college administration's hostile attitude towards cooking. Phouse one of the few places where people are discouraged from cooking. As a first step, I would work towards allowing frying pans in college.
4. **Work with other JCR officers for more free food events:** I really believe that the past ethnic food events (ethnic dessert night etc) were really enjoyable and great for college cohesion, I will be advocating for much more of them.
5. **Bar food and drinks:** Explore the possibility of having snacks in bar, survey JCR on what drinks they want.
