

Joey Pritchard

for **SECRETARY** and **COMMUNICATIONS OFFICER**

While Blair's priorities may have been "education, education, education," as your JCR Secretary, my priorities will be:

ORGANISATION ORGANISATION ORGANISATION

I want to make the JCR Committee as open, accessible and transparent as possible – ensuring committee meeting minutes and the news bulletin are regularly circulated to all College members. I would be an approachable point of first contact around College for anyone who has something they want to bring to the JCR's attention.

As Secretary I further pledge to get you...

MORE COLLEGE STASH

...expanding the range available and doing at least two orders a year. A vote for me is a vote for repping the phouse brand.

Why me?

- I am current the Secretary of Peterhouse Boat Club – a substantial role with much the same responsibilities as JCR Secretary so I am experienced in the position.
- Likewise, in my final year at school I was Head Boy and I am currently serving on Peterhouse's May Ball Committee, so I am not a stranger to roles which require being organised and responsible.
- I do a low-contact degree, so I have lots of time to dedicate to new JCR Committee, wherever it needs me!

Mr Meade also once said I look "like I'm on top of things" so clearly, I'm the man for the job.
