

Mairead Budge for JCR President

Manifesto: Who am I?

- 1st year Natural Sciences Student (Ex-Mathmo)
- Organized pedant who is very willing to spend hours in meetings
- Fan of bullet points

Policies:

- **The JCR should be as transparent as possible:** I would make use of the notice board in the JCR; posting summaries of recent JCR meeting and information on up-coming issues and votes at CUSU. I would also do regular drop in hours.
- **Holiday Storage:** Moving all our stuff to and from Cambridge every couple of months is much more fuss than anyone needs, even those of use who aren't international students. I would push for storage for non-international students .
- **Wi-Fi:** This is already available in SPT, I'd make sure this was set up in the rest of college as quickly as possible, and send out information about where and when as soon as I know for sure.
- **The New Building:** Decoration of the new JCR and bar needs to be arranged, and I would consult the student body about this as much as possible.
- **College Bill:** I aim to make sure the college bill stays as clear as possible, and push for the ability to check your total servery bill and number of sign outs though-out term.
- **Access:** More support for students who want to go back to their old schools and give access talks.
