

**KAY DENT**  
**FOR CHARITIES, CAMPAIGNS AND ENVIRONMENTAL OFFICER**

**Experience/Attainments over past year:**

- Attended Green Impact training session
- In contact with Green Network throughout the University
- Extended recycling system in college
- Joined Student Switch Off Campaign
- Had proper recycling put into the JCR
- In conversation with members of staff about
- In process of discussing changes to recycling system so that students no longer empty their recycling
- Wine raffles
- End of term collections
- Got recycling posters up (Although these need changing) and put a “recycling” and “ethical information” section on college website

**Plans for following year**

- Consult the May Ball Committee (I am Vice President of the Cambridge Sustainable Ball Project so am in a good position to do so!) – trying to get locally sourced food, ethical products where possible, and a responsible waste system in place
- Continue dialogue with staff about sustainable development and changing the recycling system
- Find places for recycling bins in the new building
- Continue wine raffles and end of term collections
- Get a “collection point” in the new JCR that I will take to Sainsburys to recycle – for plastic bags, batteries and printer ink cartridges
- Get better recycling posters up
- Add optional £1 charitable donation to all Bop/event tickets
- Campaign to get greater funds in the CCE budget so that a reusable coffee cup can be supplied to all members of the JCR who request one (these are £1 each, and there are currently 244 members of the JCR)

Please.
