

Melanie Etherton

Access and Equal Opportunities Officer

What will I bring to the role?

- **Experience** – regular volunteer at subject-specific and general events on both a college and university level, including science museums, local schools, the CUSU Shadowing Scheme and the Cambridge Hands-On Science Roadshow
- **Competent and trustworthy** – as Treasurer for Peterhouse Rambling Society I have set up an official business account and handled thousands of pounds of other people's money
- **Enthusiasm** – fully involved in everyday college life so I'm willing and able to speak with a wide range of people, both staff and students

What is my Evil Master Plan? (mwahaha...)

- Create a **printed version of the JCR Alternative Prospectus** and make it available to potential applicants
- Develop **Access pages on JCR website**
 - clear information on costs and bursaries
 - create 'Day in the Life' pages for different subjects to give a realistic and positive impression of Cambridge life
 - short interviews with current undergraduates from a variety of backgrounds to combat Cambridge stereotypes
- Produce **materials to assist students who want to visit schools** of their own accord and talk about Cambridge: leaflets, Powerpoints, short notes etc.
- Make it **straightforward and easy for everyone to get involved** in all the opportunities available, such as Access Days, interview shepherding, school visits, shadowing schemes, Access Bus, Open Days...

We're a small college with amazing Access tradition which I'd love the opportunity to continue. Thank you for reaching the end of my manifesto:

LEVEL UP! :)
