

Emma Hall - Ents officer

Hi, I'm Emma!

I thought there were some really good ideas from Theo last year, which I'd like to keep and I'd also like to really focus on making bops more fun and popular in college.

Vote for me :D

Why I'd suit the role:

- I'm organized
- I like making lists
- I'm happy to listen to other peoples advice if they have ideas for bop themes or other Ents they'd like to see happen
- I helped organise some of the freshers' events this year such as (freshers' bop, the pub golf, club golf and sports day)

Ideas:

- I would like to keep Theo's idea for the Super-ent Christmas party
- Have bops for 'days' i.e. Halloween bop, St. Patrick's Day bop etc.
- The main issue with bops is getting people to come, a way around this is to attach formals to bops, so everyone goes to formal and then on to the bop
