DUNSTAN RODRIGUES FOR EXTERNAL OFFICER and VICE-PRESIDENT

How can we make the most out of the Cambridge University Students' Union? How can the external officer – the link between CUSU and Peterhouse – do what is best for Petrean undergraduates?

By <u>taking the initiative</u>. This is what I will do:

- **JOBS/VACANCIES/INTERNSHIPS I will ensure that Petreans have the best opportunities for vacations schemes, jobs, and internships.** I will make sure that these businesses' advertisements are exposed to Petreans **first**. How? By sending industry-specific emails about the latest opportunities to Petreans who, from their subject, may be interested. See http://www.cusu.cam.ac.uk/business/.

- **<u>HUGE STUDENT DISCOUNTS</u>. I will bring to attention and organise NUS Extra Cards for those who want them.** These are £1 a month, and can only be attained through CUSU. The card entitles the owner to savings which include: 25% off Dominos; 50% off National Express; 50% off Napster; 20% off Asos and many more…

- **<u>ABSOLUTE AND REGULAR CLARITY</u>. I will send fortnightly updates on the initiatives discussed by the CUSU Council.**

- **<u>PROPER AID TO THE JCR COMMITTEE</u>. I will make sure that the JCR Committee benefits as much as possible from CUSU**. How? By notifying members about training days and team meetings, and by maintaining a close connection with all CUSU sabbatical officers,

- **<u>MY FULL COMMITMENT</u>. I will approach all these tasks with 100% commitment**. Experience: Participation in Open and Access days; the telephone campaign 2014; various sports clubs and societies. I have been to CUSU Committee meetings; I ran Amnesty International Society for three years at school and lower schools; generally approach things with commitment and enthusiasm!
