

Welfare and Academic Affairs Officer – Men's Representative

Will Trojak

I'm Will Trojak, a 2nd year Engineer. Now Men's Welfare Officer is not the kind of committee role that can be radically changed or reformed. So rather than trying to list off some ideas to attempt to do the impossible, I'm going to tell you some things about myself that may qualify me for this role.

- I have experience in mentoring and pastoral care in a similar capacity to that of a men's welfare officer.
- I have had to organise events before, dealing with logistics and people.
- Country to popular belief I'm not emotionally retarded and have been known to feel happy and sad. Realistically I think that I'm approachable and can empathise with people in any situation.
- I take great pride and enjoyment through pestering people until a problem is resolved.

A few bits and bobs that I promise to do

- Organise 1-2 times, per term, a welfare event in the JCR.
- Have a surgery hour 5 days a week.
- Organise some stress relief for during exam term.
- Keep to my responsibilities as laid out in the JCR constitution
